HAPPY NEW YEAR

Thanks to Mary Bailey for her report on "Dinner with Santa" ~

If you didn't attend the Annual Dinner with Santa at the Hannibal Country Club on Sunday, December 9, 2007, then you missed **one of the nicest events that our club has hosted in a long time**. The Bailey family has made this holiday dinner a tradition for almost 25 years, a time span that has seen many caterers and club managers come and go. Let me say that Bernie and his entire restaurant staff collaborated to make "Santa's Dinner" this year probably the best that we have ever attended. Even if you had no little people to bring to the festivities, it was well worth the price of admission.

April Kent lent her valuable decorator skills to help transform the club into a warm and glowing Christmas wonderland. Santa felt right at home as he sat close to the sparkling Christmas tree and visited with each eager child, listening intently as secret wishes for the big day were revealed. Santa also made special table-side visits with each family as they were gathered to have dinner.

Little ones were treated to a nice variety of kid-friendly food on the buffet, while the adults feasted on an array of elegant salads and main dish entrees. It was most impressive to see Greg carving a succulent steamship round of beef at the end of the buffet table. (I noticed many of the "big kids" lining up for second helpings of that melt-in-your-mouth meat). For those with a sweet tooth, JB assisted diners in selecting scrumptious homemade desserts at a fireside serving table situated in the main living room. The whole setting was as festive as Bing Crosby singing "White Christmas."

We want to thank Bernie, JB, Greg, the bar and all the wait staff for the enthusiasm and extra effort they dedicated to this special occasion. They certainly helped us to make some new and very special Christmas memories in a family tradition that lives on!!
