President's Corner ~

Well, if you remember my Corner in the newsletter last month, I emphasized our biggest challenge for the coming year is to increase membership. That is still the case and it's still our focus. But February threw us a curve ball. Bernie gave his resignation early in the month with a departing date of February 29th. By the time you get this newsletter, he will be gone. So the Board and the Search Committee were faced with the challenge-of-the-month, finding a General Manager for HCC that would best suit the needs of all members—new, old and incoming. It's been a challenge and an adventure, but we are thrilled to announce that we were successful in our quest. We have offered the position to David Glynn of St. Joseph, Missouri, and he has accepted, effective April 1st.

Mr. Glynn is currently the clubhouse manager at St. Joseph Country Club and has been since 2004. He is originally from California, then migrated to Texas and finally to Missouri. He has been in the clubhouse management business since 1997. He is looking forward to furthering his career by coming to us as a general manager, a position he has been working toward for some time. Mr. Glynn is experienced, enthusiastic, friendly, easy to talk to,

open-minded, and I'm told, a family man. His wife and 11-year-old daughter will join him at the end of this school year. His son has earned a golf scholarship at William Jewell and will enter school as a freshman there this summer.

Personally, I am very proud of the Board and Search Committee, but especially the membership. We had a talented field of candidates to choose from and it was a tough decision that we took very seriously. But I am proud that we had a tough decision to make. It shows that our club is as special to others as we've known it to be ourselves.

In the meantime, please be patient. Chuck Clayton and Bob Gilstrap will be our club managers this month under the strict supervision of Renee and Greg. Although I have no doubt they will do a fine job, please do your part, as well, by understanding there may be some glitches along the way.

Hopefully, the April President's Corner will once again feature the standard challenge, increase in membership, and the Club will be in full swing ahead. No more curve balls for awhile, please.

See you at the Club!
